SWEET THAI CHILLI SAUCE

This is our classic sweet chilli sauce, perfect for stir-frys and dipping.

WHAT IS SPECIAL ABOUT OUR THAI CHILLI SAUCE?:

At the South Devon Chilli Farm we grow lots of medium-hot, bright red chillies that are excellent for drying. Because we dry our chillies slowly they develop wonderful rich flavours involving hints of raisin and lemon.

HOW WE PRODUCE OUR SWEET THAI CHILLI SAUCE:

Once the chillies are dry, we blend them, coarsely grind them, add organic sugar, cider vinegar and fresh garlic from 'The Garlic Farm' to create the perfect Thai dipping sauce and stir-fry sauce.

RECIPE IDEAS FOR SWEET THAI CHILLI SAUCE:

Sweet Dip - pour some sweet Thai sauce into a small dip bowl as a dip for prawn crackers, spring rolls, crab cakes and other tasty snacks.

Stir-fry - towards the end of cooking a stir-fry or fried rice dish, add a few tablespoons of sweet Thai sauce and stir in.

Spicy kebabs - pour sweet Thai sauce into a shallow bowl and marinade prawn, chicken or vegetable kebabs. Grill or shallow fry the kebabs.

Medium heat
